# ART IN THE CONTEXT OF EMERGING MEDIA

## The 35th Anniversary of the University at Buffalo's Department of Media Study

A weekend of events commemorating the Department of Media Study's 35th Anniversary, and the faculty, students, staff, and alumni who built this internationally recognized transdisciplinary program. Through an integration of theory and practice, members of the DMS community have created award winning work in the areas of film, video, digital art, robotics, poetics, cultural theory, interactive architecture, virtual reality, documentary and experimental animation. These events will highlight groundbreaking work being done in these genres.
